

## Cut-off wheels for stainless steel

High chemical purity prevents impairment to the material such as corrosion, pitting corrosion or a reduction in the fatigue strength

Designed to last while delivering excellent cutting results

Ideal for cutting metal sheets, profiles, pipes, bars and solid material made of stainless steel

Manufactured to the highest safety standards

### Application Recommendation

Performance Level	Specification	Steel	Stainless Steel	NF Metals	Cast Iron	Carbon Steel
Premium	A60R-BFKA		•
